

INTERNATIONAL DAY FOR THE REMEMBRANCE OF THE SLAVE TRADE AND ITS ABOLITION

23 AUGUST 2020

The disproportionate Impact of COVID-19 this year has exposed the reality of BAEM people's daily lives. Unite calls on individuals and groups in society and in positions of power, to take action in stamping out all forms of racism – systematic, structural, institutional, xenophobia and intolerance; whether in their more subtle and contemporary forms and manifestations, or by other ideologies and practices based on racial or ethnic discrimination or superiority in the world of work, education, law enforcement and all aspects of lives.

We must all unite, Black and White, in solidarity to challenge the injustices BAEM people face relentlessly. Racism Hurts and Black Lives Matter. It is time to stand up and be counted.
