

END FIRE & REHIRE

Millions of people are facing the sack if they don't accept less pay and worse conditions.

After months of pandemic hardship, this is no way to treat people.

The government can put a stop to it and End Fire and Rehire.

Businesses have been supported.

Workers should be treated fairly too.

***IT'S TIME FOR ACTION.
END FIRE AND REHIRE NOW.***

END FIRE & REHIRE

ONE IN TEN WORKERS ALREADY THREATENED WITH FIRE AND REHIRE. MANY MORE LIKELY AS FURLOUGH ENDS.

- **DENOUNCED AS “BULLY-BOY TACTICS” BY GOVERNMENT MINISTERS BUT STILL LEGAL.**
- **ALREADY BANNED IN IRELAND, SPAIN AND FRANCE.**
- **WORKERS COULD LOSE THOUSANDS OF POUNDS PER YEAR.**

THINK THIS IS WRONG?
