Unite the Union would like to extend our deepest heartfelt condolences to the family and loved ones of Brianna Ghey at this time.

We are all shocked and appalled by the brutal and senseless murder of Brianna, a beautiful young woman on the cusp of beginning her adult life. We mourn the woman she should have become, the life she should have lived, and the community she should have found. A life that was so full of potential, cruelly and needlessly snatched away from her.

Your community will not forget you, we will not forget you, and we promise that we will never stop fighting for you and for all Trans people.

Rest in power Brianna.
